

INVERTER GENERATOR

BISON POWER-Strive for A Bright Oasis of Power.

YOUR POWER BANK.

WE ARE PARTNER, WE ARE FAMILY

TAIZHOU BISON MACHINERY CO., LTD, is one of the Chinese leading manufacturers of generators, water pumps, engines etc. BISON brand has won its reputation among the areas like South America, Europe, Africa, Southeast Asia, by supplying qualified products and professional after-sale service. We are looking forward to establishing more win-win cooperation with customers all around the world.

ABOUT US

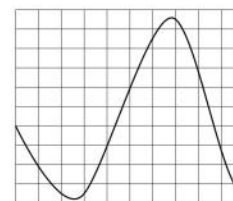

www.bisonpower.cn

BISON INVERTER UNIT

BISON inverter Technology originated from America, adopted with imported electronic components, which ensures you the clean, stable power in a portable, lighter generator. Clean Power is electrical current that is consistent and has a stable 'sine wave' signal.

Laptop, IPAD, and power sensitive appliance can be connected. Look for an 'I' after the model no.

INVERTER

SMART THROTTLE SYSTEM

Smart-Throttle System automatically adjusts the engine speed to the optimum level through a speed-control type governor.

This results in excellent fuel economy, quiet operation, low emission level and long run time.

***Auto
Voltage
Regulator***

SUPER QUIET AND PORTABLE

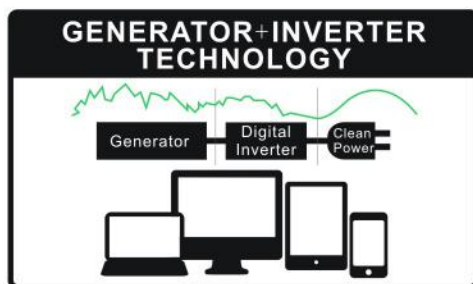

Low noise and easy-to-carry, ideal for home, Office, Outdoor and Recreational power-backup applications.

INTELLIGENT AVR

Automatic Voltage Regulation is designed to hold the voltage stability within a $\pm 1\%$ tolerance. It makes a consistent delivery of power under different loads, which translates into protection for sensitive equipments.

EXCLUSIVE MASTER BISON ALTERNATOR

Heavy-duty 100% copper Coil Alternator Start and Permanent Magnet Rotor provide greater, more stable output at a lower engine speed to reduce noise, improve fuel consumption and reduce engine wear.

BS900Q

TWO-STROKE
ENGINE

LOW OPERATING
NOISE

AC 120/230V
RECEPTACLE

COMPACT STRUCTURE
EASY MOVE

○ FEATURES:

Powerful and durable 2-stroke engine;
Durable metal fuel tank provides 6 hours @ 50% load;
Emergency low oil alert, overload protection included;
Easy start, compact, fuel-efficient provide smooth, clean power.

○ DISPLAY:

BS1600Q

COMPACT STRUCTURE
EASY MOVE

LOW OPERATING
NOISE

DUAL AC 120/230V
12V DC RECEPTACLE

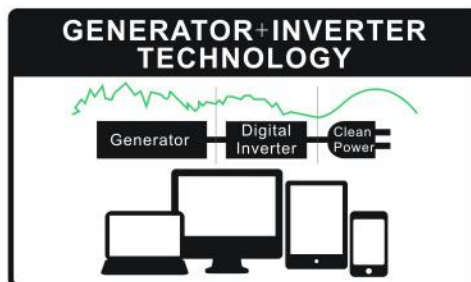

Bluetooth Remote
Start Optional

○ FEATURES:

Powerful and durable OHV 4-stroke engine;
Durable metal fuel tank provides 10 hours @ 50% load;
Emergency low oil alert, AVR & overload protection included;
Easy start, compact, fuel-efficient provide smooth, clean power;
AC/DC output & cables for 12V batteries charging.

○ DISPLAY:
